** Add a dollar to your order which will be donated to the pointe shoe fund which helps support the WBT company member principle dancers. Pointe shoes generally cost between \$70.00 to \$100.00 a pair. The lead dancers use one or two pairs a performance which last about two weeks and company dancers usually need a new pair every month. WBT would like to keep our dancers ON THEIR TOES! THANK YOU for your added support!

Seating Preference

Please choose first choice seating by the letter listed below and write it in the space marked *desired seating*. Every effort will be done to honor your requests depending on availability at the time of your request.
